In love -Lyrics

Thought a surprise throughout this year  
would help you're hurt fade I'm in charge here  
I try my best and all I get is people judging me

Oh yeah Oh Yeah

Chorus

I'm in love with you I can't stop  
thinking of you your like my life  
my only one" I have I say

This isn't the best of me  
oh but sometime soon you will see  
and realise that I wasn't what you thought I was

Oh Yeah Oh yeah

Chorus

I'm in love with you I can't stop  
Thinking of you your like my life  
my only one" I have to say

Thought that hurt' i caused would be gone by now  
well i'm not a god' so I can't make things turn away'  
I wish that was though I wish that sometime before  
hand  
you knew who I was take a look at me now

I'm a girl a girl who could live in a fairy tale  
why didn't you give me the chance?  
you made me feel hurt" you made my soul cry

Oh yeah Oh yeah

Chorus

I'm in Love with you I can't stop

Thinking Of yoU your like my life  
my only one I have to say

Oh yeah Oh Yeah
