Did you know as I walked through the door?
I thought for a minute you were invisible
I never had done that before

Chorus

Words today have always come out the wrong way
For me maybe not for you but I have to say sorry
For being me being invisible to you

Can't hide feeling lost €| can't keep up
With all theses week emotions
I'm trying not to be invisible
Ever time I come to see you

I feel you don't notice me at all
I feel everything you say is related
To lies please understand

Chorus

Words today always come out the wrong way
For me maybe not for you but I have to say sorry
For being me being invisible to you

Can't hide feeling lost €| can't keep up
With all theses week emotions
Can't find my way out of this dark place

I feel you don't love me enough to let me go
I feel so left out of your world

I'm sorry I feel invisible to you
I'm sorry for all the mistakes I just made

Chorus

Words today always come out the wrong way
For me maybe not for you but I have to say sorry
For being me being invisible to you
