You're the very best, I ever had.
But I don't want to move too fast, no.
Too soon to let our true feelings show.
And if we make love now then you'll never know...

That I, I just want to hold you.
And I, I never told you.
That I, I want this love to last.
So lets not move too fast.

I love you more than, than making love.
So tell me what you're thinking of.
Am I more than just a fantasy,
Cause I'm hurting boy can't you see, ooh.

That I, I just want to hold you.
And I, I never told you.
That I, I want this love to last.
So lets not move too fast.

I want you, I want you.
I need you, I need you.
And I'll be yours, for the rest of my life.
I want you, I want you.
Yes I need you, oh I need you baby.
And I'll be yours, for the rest of my life.

That I, I just want to hold you.
And I, I never told you.
That I, I want this love to last.
So lets not move too fast.

Slow it down, slow it down.
You're moving too fast for me.
