let the rain fall  
let the sky stay  
let me be the first to know

let the rain fall  
let it all dry away  
after the big rain fall  
let the sun come out  
and let it shine

let the time go long  
let the day go short  
let me be the first to know  
i'm the only one  
that can let everything go my way  
let the rain fall  
let the sky stay

let me run away  
let me feel like ice  
let me discover  
what it;s like  
let me run away  
let the world free

ilet the colours from outside shine  
let me be the first to know  
let me discover  
what it's like  
let me feel free  
let me shine  
let me hold you  
till there's no tommrow  
let me tell you !!!!

i want i want  
oooo  
wnat to shine  
so pretty so small  
so wide so big!
