Lost My Words

Felt like I was too late  
to say what they ask me  
after wards i felt i went slow  
for a minute oh i can not believe it

Lost My words

oh how can i change?  
that i made a mistake  
i slowed down i shouldn't of  
been too late

Oh i regret now

I felt like it was the end of the world for me  
When I lost my Words

showing my feelings to the whole world  
helping my family feel loved  
showing them in this song that it's very easy  
to make me cry it's very easy to make me  
regret ohhhhhh want family to know i love them  
but i lost My words felt like i was too late  
to go back Ohh

Ohhh I regret now

i felt like it was the end for me  
felt like that wasn't happening  
Lost My words Ohhh  
Lost My words

showing my feelings to the whole world  
helping my family feel loved  
showing them in this song that i have a heart  
helping my family feel loved  
showing them in this song that i have a heart
