underneath my skin  
is a feeling i can't say  
under the feelings is trust  
under my skin is my heart

yeah! OOO  
i can't find my words  
i lost so much  
why is this not my right  
to complain who are you  
who are you

below the sea is sand  
under the oceans are sea creatures  
up way high is the sky the sky \*

below the sea is all my memories  
underneath the earth here we all are  
my strength last for long  
my weekness is so bad  
my strength won't last for long  
my pain isn't going away

let the memories disapear  
below is my memories  
memories below the sea is sand  
oooo memories  
my memories

underneath is my soul  
ooo  
underneath is my memories  
under is my trust  
below the sea is the sand  
let me find you a aman  
to help it disspear

it's all memories  
that come to me time after time  
let the memories  
disapear  
let the time go qwick

nobody canlast forever  
let the memories rise  
let the memories dissapearr
