my eye's wide closed  
i'm in a way i can't help  
my lost is my problem  
i don't want it to be me  
i want the fear to fade as  
i'm asleep .....

my lost is my problem  
what you are to me  
is my life my dream  
what do you feel  
as your here with me?  
feeling afraid of  
waking up dead..  
feeling fears before i go to bed  
for some reason

theres fears i got that are really weird  
to everyone i know around  
the darkness scares me little inside  
i'm always afraid of something before hand

wanna be strong  
wanna be strong .....

ohh lost is my fult  
fears just happen in life...  
everyone makes mistakes  
nobody's perfect so why try to be

the darkness awears in my sleep  
i wake up dead then i can't suffer..  
don't wanna go to sleep  
with a fear...

why do i have so many fears...  
so many lost's and hard chances  
there's beautiful thoughts in mind  
try to go to sleep with one  
instead of a fear.....
