( go away )

no girl wants to see a man with that attitude  
your 18 years old i'm 13 years old  
i feel as i walk near i frezz inside

it's like i can't take the idea of being in love  
maybe it's cause i don't want to have a heart break  
sometimes i get scared real qwick sometime's  
i can't sleep cause i'm too overcome about someone

i feel so fragile inside i feel like a block of ice  
i feel not 13 i feel more grown up then what i am  
no way am i in love with myself wish people would  
think before they knew who i was

i hate the ones who judge me before they even know  
me  
no girl wants to see a man with that attitude  
hopless people are not dum , cause your different  
doesn't make you not important

i feel so fragile inside i feel like a block of ice  
i feel not 13 i feel more grown up then what i am  
no way am i in love with myself wish people would  
think before they knew who i was

i hate the ones who judge me before they even know  
me  
no girl wants to se a man with that attitude  
hopless people are not dum, cause your different  
doesn't make you not important

it's like i cant't take the idea of being in love  
it's like i'm too younge to understand what love is.
