i'm here to have a chat  
a chat about the one who  
made me feel lost  
i can not believe  
that this happened  
ever since you left  
i've been no where

i never saw anything in life  
but you you like mine no-one elases  
i'm fine with you here as long as i know  
no lies no trying to make me jealous  
i have so much to yap about

tif this picture of us  
last long you don't know how  
much it means to me  
it means every sent in my life  
no more lies  
no more lies  
don't go cheating on me  
with another person  
don't go protecting me behind my back  
oooooooooooo  
no more lies

no more lies  
here's a angel sent to you  
from me if i die  
cause your liess hurt me so much  
i'm never gonna forgive or forget  
i tell you  
no more lies  
no more lies  
no more lies  
no more lies

if this gets to me i'm oh so stressed  
i'll go over the edge  
you don;'t want that do ya  
my whole ody is so over the blue
