Once In my Life  
I dreamed i was dead  
But after that dream  
Something changed in mY life  
i couldn't think what

Once in my life  
i sliped on the floor  
and guess what  
i felt i wasn't crying

once i dreamed  
that i was dead  
i was hurting so much  
i couldn't stop

wanna live in a life so fun  
want a beautiful face always noticed

once in my life  
i dreamed i was dead  
then woke up then something  
in my life changed  
ohh i get that a lot  
nothing ever will remain

feeling kind of strong today  
lost in a remaining spot  
stuck in theses on sad songs  
wanna live in a life so fun  
want a beautiful face always notice

once in my life  
i dreamed i was dead  
but then i woke up  
with a change in my life  
nothing in my life remains  
or a long time ( nothing ever )

feeling kind of strong today  
lost in a remaining spot

stuck in theses on sad songs  
wanna live in a life so fun  
want a beautiful face seen  
wanna never cry
