one more time and i'll go mad with you  
cause i just had enough for one day  
have i got that through your head yet??  
are you confused now?

one more time and i'll go angry  
cause i've just had it with you all  
puting me down one more time  
and i'll go down without your chance

Ohh do you know what different means?  
it means your not the same .....  
all i ask is that you just stop  
for a sec leave the page in my life  
blank i want a break for once  
unbelievable no way can i ever  
get the feeling you have

one more time and i'll go mad with you  
cause i just had enough for one day  
do you know what shh... means?  
it means quiet dont you understand???  
ohh"" one more time and i'll go mad ...
