the day has ending i felt strong  
i new that things would come true  
over night i new by thinking happy  
thoughts a thousand days ago  
before i was born i new life  
would be my fun it would be my onner

tommrow could be the greatest in my life  
next mounth my family could of improved  
just believe that you'll be okay

the day has ending and i'm still standing  
the earth has let rain fall the thunder has  
banged loud and i'm still standing still standing  
still alive thank god think happy thoughts now  
still standing alive still shiny standing here with so  
many  
fears oh is such a touch choice still standing

tommrow could be the great dived  
tommrow could be my last  
we don't know but tommrow could be  
my happiest day tommrow i could be well  
tommrow could be my day i met a famous star  
tommrow could be my lucky day tommrow could be  
my last we don't know no one knows  
i'm still standing
