a goodnight please  
please tuck me in tight  
so i don't fall into the fright  
a goodnight kiss  
would help me sleep well  
i'm tired i'm sick i'm confused  
i'm unsure i'm unwell

someone give me the strength  
i need the confurdent  
some where inside i'm a little brave  
but honestly i'm afraid of what i see  
next well ant we all

just as i believed my dreams were coming ture  
a heart falling into peries made me feel upset  
just at the wrong time of the year  
it's the wrong time to be feeling this way

i don't wanna be going through stress pain  
unsure emotions i can not cope with all that right now  
it's the wrong time to be feeling this way  
i'm tired i'm sick i'm lonely i'm very unsure  
i'm lost i'm inner way i can't escape..from

goodbye's of the night time make me tired  
i've tried many times to pray for strength  
and all i recive is the weakness what is going  
on in my life right now is stress..... stress  
that makes me feel lost.. right now all i am is a mess  
i can't feel any strength ( any strength)  
thoughts my dreams would end safe  
instead of this way it's the wrong time to be feeling this  
way..

all i can see with u is madness  
and i don't call that beautiful unlike most  
man your age they all the same  
it's the wrong time to be feeling this way

it's the wrong time to be feeling this way  
oh my life is so out of control

i'm so stress i'm so tired all i ask is for the strength  
people sometimes just don't understand  
cause all they care about is thereself

wrong time to be feeling this way  
i feel like a block of ice  
and i feel like i've turned to dust  
a little feeling inside is just opened up  
and now i've changed and i can't disguise  
it i'm alittle scared bout the change  
actually wrong time to be feeling this way  
ohh sometimes i just want things to be untrue
