as I said once before-  
nothing was as good as you  
you turn me on like I've never done before  
you make my smile huge-  
you let me know how I'm so not alone-

la la la la la  
can't forget that time

singing-dancing around in my room  
opening the doors to a happier beginning  
learning everyday about a different subject  
trying to keep everything I got open

as I said once before-  
nothing was as good as you  
you turn me on like I've never done before  
you make my smile huge-  
you let me know I'm so not alone-

now I believe In taking chances'

la la la la la

forever us together  
never can let the fear' come into our lives  
we must save our souls from the fear'  
towards ourselves oh be bave'  
nobody I know is like you

Oh yeah

you turn me on like I've never done before  
you make my smile huge  
you let me know i'm so not alone  
nobody I know like you

now I believe In taking chances'

oh yeah

you turn me on like I've never done before..
