unwanted

I know you love me  
I know you miss me everytime you say goodbye  
but all i can do is dream at the same time

when i'm without you i'm only me  
when i'm with you i'm who you want me to be  
I know you love me  
I know you miss me everytime you say goodbye

yeah yeah

it seems weird me being a teenager  
i never thought i'd be this  
i know you miss me everytime you say goodbye  
but all i can do is dream at the same time

this is what i am going to sing out loud  
to you this is what i'm going to let the whole world know  
i've had secrets but then everybody just had to know  
them  
soon or later never can live if they Find me unwanted  
cause of something i never show

i could ever live if i had hate  
i could never live if i was unwanted  
i could never live without you  
but i say

all i can do is dream

it seems weird me being a teenager  
i never thought i'd be this  
i know you miss me everytime i say goodbye

i could never live without you  
i could never live if i was unwanted

Yeah yeah ( i could never live if i was unwanted )  
Ohh never live if i was unwanted

seems weird being a teenager  
i never thought i'd be this  
i know you miss me everytime i say goodbye.
