am i little freak  
have i got habbits  
i can't get out oh so yes  
it's so diffecult  
what's going on inside my mind  
i play games with people  
i try to get notice  
i try to be the best  
i think i'm so good  
this habbit is making me lose friends  
its like i chose to be diffacult  
people say there's no chance left in the end

i want to make ti all up  
let me give in to the things that make me this way  
ohh can't figure out what  
i have no words aganist you  
i just have a promise  
ohhh  
i am not the best no more  
if i was they would say  
ohh i'm no perfect  
i'm just lost spolt and a little too i want girl

ohhh i don't like to be diffuclut  
i just want to get out of the diffcult feeling  
i can't stop theses habbits  
am i crazy  
am i gonna be okay  
trying to fight them

don't chose to be diffuclut  
don't try to be perfeect  
stop trying to change your inside  
don't watch too many tv shows  
that makes you think weirdly  
ooooooooo  
life on television is all fake  
ooooo  
i so know  
i'm just being silly  
i don't think before i say

this is like the end for me

i am no perfect  
i don't like to be so difficult  
what's going on inside my mind  
people say i need help
