As far as you know I've gotten over you
And I bet it makes it easier, bet you're so relieved.
And you let me go yea, I made a clean goodbye.
Like it didn't even faze me no, I didn't even cry.
Cause it's not all about you. no. I've got a face to save
to.

Chorus

So when I get hold of it
And I get to thinking bout what you did and I come
home swinging and I
Burn all your letters tear all the linens break all the
mirrors as if you were in them and stop.
Take a breath take a breath take control. cause you
know me I'm good to go
As far as you know
Everythings a ok cause all I let you see is the smile I
fake
No body knows how much I hurt inside cause I keep it in
the closet
I hold my head up high. Wont be my pride that I lose.
No no.
Lay Down and die I refuse.

[Chorus]

As far as you know I'm missing you tonight
As far as you know yea. In this Twisted little mind...
When I get hold of it and I get to thinking bout what you
did and I come home swinging
I trash all the...
That you gave me smash em and crush em and go
totally crazy.
... The walls rip out the walls I can't help thinking bout
smashing your doors and I stop
