Oh, yeah

Well, I should be miles away  
From this empty parking lot  
Flying down the freeway  
But I'm not  
Yeah, I shouldn't be crying a flood  
With my heart breaking in my hands  
I shouldn't be losing it like this  
But I am

I know  
I said I didn't need you anymore  
I know that's what I said  
Yeah I was done, like the past  
Gone, never ever coming back  
'Cause you were wrong  
And I was right  
Can't a girl change her mind?

Well yeah, I understand  
That it might be asking a lot  
But here I am asking you  
For another shot  
(Yeah, just one more shot)  
I'm sorry for the mess I made  
And the pain I put you through  
You shouldn't be putting up with me  
But I sure do hope you do

I know  
I said I didn't need you anymore  
I know that's what I said  
Yeah, I was done, like the past  
Gone, never ever coming back  
'Cause you were wrong  
And I was right  
But can't a girl change her mind?

Yeah, I should be miles away  
From this empty parking lot  
Flying down the freeway

But I'm not

I know

I said I didn't need you anymore

I know that's what I said

Yeah, I was done, like the past

Gone, never ever coming back

'Cause you were wrong

And I was right

But can't a girl change her mind?
