Hell I'm just a country singer
Who can't write a country song,

I got my boots and hat
But lack the brush to paint the town,
I got so many great ideas
When I ain't got a pen to write 'em down,
I'm stuck, holdin' this inside
'Cause it keeps comin' out all wrong,
'Cause I'm just a country singer
Who can't write country songs, no,

Well it's been a dream of mine
Since I was smaller then I am
I've got the rhythm in my ears and feet
But it won't come out of my hands,
And if you listen to my achein' heart
There's a country beat so strong,
Said I'm a full blood country singer
But I can't write a country song,

But I could write you a rock song anyday
But I just don't get my kicks that way,
I'll huff, and I'll puff
Til' I blow you all away,
With one kick a** country song
I'm'a gunna write one day,

Well, I'm waitin' for the cowboy
Fancy free with faded jeans,
There ain't too many round here
Who can give me what I need,
He'll have to sing to me each day
Songs he wrote about love,
And have to get to packin'
If they weren't country enough,

Even I could write you a love song anyday
But I just don't get my kicks that way,
I'll huff, and I'll puff
Til' I blow you all away,
With one kick a** country song

I'm'a gunna write one day

I could write you a rock song anyday
But I just don't get my kicks that way,
I'll huff, and I'll puff
Til' I blow you all away,
With one kick a** country song
I'm'a gunna write one day,

With one kick a** country song
I'm'a gunna write one day
