(Out loud, out loud out loud)

First dates are awkward  
I hate not knowing what to talk about  
Did you have fun in the Bahamas?  
Did you ever check that movie out, the one we talked  
about.

Yeah I'm still working down on Main Street,  
At that foggy little boutique  
You can kiss me if you want to...

Did I just say that?  
Did I just say that?  
What was I thinking?  
I wasn't really thinking  
I didn't mean it  
Well okay, okay I meant it but  
I didn't mean for it to fall out of my mouth...  
Did I just say that outloud?

(Out loud out loud out loud)

I had a great time  
That was a cool little bistro  
I loved the jazz band  
The conversation and a veino  
And a cappucino  
Well how sweet, you walked me to my front door  
They don't make guys like you anymore  
Man I'd love to see you naked...

Did I just say that?  
Did I just say that?  
What was I thinking?  
I wasn't really thinking  
I didn't mean it  
Well okay, okay I meant it but  
I didn't mean for it to fall out of my mouth...  
Did I just say that outloud?

Did I just say that?

Did I just say that?  
What was I thinking?  
I guess I wasn't really thinking  
I didn't mean it  
Well okay, okay I meant it but  
I didn't mean for it to fall out of my mouth...  
Did I just say that outloud?

(Out loud out loud)  
Did I mention that I love you  
(Out loud out loud)  
We can make a pretty baby  
(Out loud out loud)  
Mmmm nice pants  
(Out loud out loud)  
You can kiss me if you want to!
