Don't need no pretty pickup  
No flash in the pan  
Rock star, business cards, spray on tans  
Don't need no money-maker if  
He can't make noise  
I want a sturdy, dirty, workin hunky country boy.  
I don't want no Valentino  
Puttin on a big show  
Thinkin he can have me with the first hello.  
Tryin to get me giddy with the champagne voice  
I want a sturdy, dirty, workin hunky country boy.

Country boy  
I'm ready to ride  
I've kissed you in my dreams now  
I've only gotta find you.  
Turn it up  
And make some noise all you  
sturdy, dirty, workin hunky country boys.  
I wanna whip-crackin, bare-backin  
Buckle good time  
A head-spinnin, heart-winnin  
Rodeo smile  
Rope me in I'm ready for the real McCoy  
I want a sturdy, dirty, workin hunky country boy.

Country boy  
I'm ready to ride  
I've kissed you in my dreams now  
I've only gotta find you.  
So turn it up  
And make some noise all you  
sturdy, dirty, workin hunky country boys  
Torn up jeans, beat up hat  
Workin in his boots, man I like 'em like that  
No mama's boys gunna understand  
How to love me like a real man  
So c'mon country boy  
I'm ready to ride  
I've kissed you in my dreams now  
I've only gotta find you

Turn it up and make some noise all you  
sturdy, dirty, workin hunky country boys  
I'm ready to ride  
I've kissed you in my dreams now  
I've only gotta find you  
turn it up and make some noise  
all you sturdy dirty workin'  
look so good its hurtin, Cinderella -searchin  
hunky country boys  
country boys  
ahh cinderella's burnin  
hunky country boys  
country boys
