Verse 1:

Always said I would know where to follow
All this thought I'd be ready and strong enough
But sometimes I just felt I could give up yeah
But you came and changed my whole world and now
I'm somewhere I've never been before
Now I see, what love means

Chorus;

And it's so unbelievable, and I don't wanna let it go,
It's something so beautiful, flowing down like a
waterfall,
I feel like you've always been, forever apart of me,
And it's so unbelievable, to finally be in love,
Somewhere I never thought I'd be

Verse 2:

And my hearts in my head it's so clear now,
And my hand you've got nothing to fear now,
I was lost but you rescued me somehow
Yeah, I'm alive, I'm in love, you complete me
And I've never been here before, now I see,
What love means

Chorus:

And it's so unbelievable, and I don't wanna let it go,
It's something so beautiful, flowing down like a
waterfall,
I feel like you've always been, forever apart of me,
And it's so unbelievable, to finally be in love,
Somewhere I never thought I'd be

Bridge:

When I think of what I had, and this chance I nearly lost,
I can't help but write it down,
And cry,

Chorus:

Oh, oh, it's so unbelievable
And I don't wanna let it go, it's something so beautiful,
Flowing down like a waterfall, I feel like you've always
been,

Forever apart of me, and it's so unbelievable,
To finally be in love, somewhere I never thought I'd be
Now I see, what love means.
