Feat. Bud Ramsey

I wanna be where you are
By your side, through the night
I wanna be where you are
Boy everything, love is all I feel
Baby when I look into your eyes
I feel like I'm on cloud nine
With you there is no empty space
But boy I miss your face

Chorus:

What we have I know is made for you and me
For life, for life... for life, for life
No one else can make me feel the way I feel
I got you for life... for life, for life

Boy the vibe you bring, is everything
That love should be, you're a blessing
The love you give, yes I can feel
You're all I need, for you I breath
But baby when I look into your eyes
I feel like I'm on cloud nine
With you there is no empty space
But boy I miss your face

Chorus:

What we have I know is made for you and me
For life, for life... for life, for life
No one else can make me feel the way I feel
I got you for life... for life, for life

Whooooooooooooa, Aaaaah, ooooooh
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah! (2
times)

Rap (Bud Ramsey):

Do you wanna know... I want no other whoa, whoa,
whoa, whoa, yeah!
You are de on ting in my life
Come back and make everyting all right
You are de prettiest woman me ever seein' in my life

You are the sunlight that shines so bright
One day, I want you to be my wife
Baby, you are de one, first choice
One day, I want you to be my wife
Come back and make everyting all right

Chorus:

What we have I know was made for you and me
For life, for life... for life, for life
No one else can make me feel the way I feel
I got you for life... for life, for life

For life, for life... for life, for life!
I got you for life... for life, for life!
