They tell you a good girl is quiet
And that you should never ask why
'Cause it only makes it harder to fit in
And you should be happy, excited
Even if you're just invited
'Cause the winners need someone
To clap for them
It's so hard just waiting
In a line that never moves
It's time you started making
Your own rules

You gotta scream until
There's nothing left
With your last breath, say
Here I am, here I am
Make 'em listen
'Cause there's no way you'll be ignored
Not anymore, say
Here I am, here I am
Here I am, uh, uh, uh
Here I am, uh, uh

You only get one life to work it
So who cares if it's not perfect
Say "it's close enough to perfect for me"
Why should you hide from the thunder
And the lightning that your under
'Cause there ain't nobody else
You wanna be
If how your living isn't working
There's one thing that'll help
You got to finally just stop searching
Just to find yourself, oh

You gotta scream until
There's nothing left
With your last breath, say
Here I am, here I am
Make 'em listen
'Cause there's no way you'll be ignored
Not anymore, say

Here I am, here I am
Here I am

The world better make some room
Yeah move over, over
'Cause you're coming through
'Cause you're coming through

You gotta scream until
There's nothing left
With your last breath
Here I am, here I am
Make 'em listen
'Cause there's no way you'll be ignored
Not anymore, say
Here I am, here I am
Here I am, uh, uh, uh
Here I am, uh, uh, uh
Here I am
