Only you
Can open up my heart boy
Only you
Can open up my heart boy
If ya
Knock Knock...

Boy you are my heart
You are my love and
I knew from the start
You'd be the one and
Still I'm waiting
Here so Patiently
My hearts on lock
And you got the key

Got these butterflies
That keep flyin inside me
Can't stop thinking bout
Everything that could be
All you have to do
Is walk up and see that
If ya Knock
This doors opening, so

I watch the clock clock
Cause I can't wait no more, oh
Waiting for ya to
Knock knock on the
Door to my heart, oh
Only you can unlock lock
Every part of my heart
So I wait
For you boy
To walk up to
My door and knock knock

Only you can open up
My heart boy, If ya knock knock
Only you can open up
My heart boy if ya knock knock
Only you can open up

My heart boy if ya knock knock

Got you on my mind
Like a song on replay
I'm hoping that
Sometime soon
You meet me halfway
Say what your
Felling cause boy my
Heart I'm reaveling and there ain't
Nobody on my mind
But you no
Nobody No Nobody

I watch the clock clock
Cause I can't wait no more, oh
Waiting 4 ya to
Knock knock on the
Door to my heart, oh
Only you can unlock lock
Every part of my heart
So I wait
For you boy
To walk up to
My door and knock knock

Only you can open up
My heart boy, If ya knock knock
Only you can open up
My heart boy if ya knock knock
Only you can open up
My heart boy if ya knock knock

Only for you, only for you
Knock knock, who's there
Hope it's you
1, 2, 3, 4 Let me give a clue
All I do is think about u, true
Can't get enough
Of your L.O.V.E. love
If ya wanna be mine
Don't be shy
I know your fly, we
Can hold tight
Never let go we
Can fly up high
To the sky never
Come down
If ya knock knock
I will show you around Cause

Boy ya know u mean
So much to me
You L.O.V.E.'s
Just driving me crazy

I watch the clock clock
Cause I can't wait no more... Oh
Waiting for ya to knock knock
On the door to my heart... Oh
Only you can unlock lock
Every part of my heart
So I wait
4 ya boy
To walk up to my door
And knock knock

Only you can open up
My heart boy, if ya knock knock
Only you can open up
My heart boy if ya knock knock
Only you can open up
My heart boy if ya knock knock

I watch the clock clock
Cause I can't wait no more... Oh (x3)
So I wait for ya boy
To walk up to my door
And knock knock.
