Can I be committed is the question in my head  
All the issues in my life keep holdin' me back  
Can I live up to the standard  
It's so hard to do  
But then you tell me take my hand  
You'll help me make it through

Chorus:

You ask me child do u love me  
And I say yeah yeah yeah  
But will you just give up everything  
And follow me yeah yeah yeah  
We talk periodically, it should be everyday  
Can imagine how it would be if I let you lead the way  
Broken hearts, less scars, less roads that never have  
an end  
So I'll throw away my pride let down  
My guard lord hear I am oohhhh

Bridge:

When I just stop and think of all that you've done for  
me  
How can I say anything but yeah (yeah) yeah(yeah)
