You're all I need to get by  
You're all I need to get by

Like sweet morning dew  
I took one look at you  
And it was plain to see  
You were my destiny  
With arms open wide  
I threw away my pride  
I'll sacrifice for you  
Dedicate my life to you

You're all I need to get by  
You're all I need to get by

You're all I need  
Oh baby all I need  
You're all I need to get by

I got a love jones for Hawaii  
I got a love jones for Hawaii  
I got a love jones for Hawaii  
I got a love jones for Hawaii

You're all I need to get by  
You're all I need to get by

Hold up (wait a minute)

(DJ don't quit the music)

Hold up (wait a minute)

I got a love jones for Hawaii  
I got a love jones for Hawaii  
I got a love jones for Hawaii  
I got a love jones for Hawaii

You're all (all I need) I need (you give it all to me baby)  
to get by (everything, everything)  
You're all (the way you kiss me) I need (the way you  
hold me) to get by

You're all I need to get by  
You're all I need to get by
