Here we are
Face to face
We forget, time and place
Hold me now
Don't let go
Though it hurts and we both know why
The time we spend together's gonna fly
And everything you do to me
Is gonna feel so right
Baby when you're loving me
I feel like I could cry
'Cause there's nothing I can do
To keep from loving you

Here we are
All alone
Trembling hearts, beating strong
Reaching out, a breathless kiss
I never thought could feel like this
I want to stop the time from passing by
I wanna close my eyes and feel your lips are touching
mine
Baby when you're close to me
I want you more each time
And there's nothing I can do, to keep from loving you

(Bridge)
There's nothing I can do
I'm helpless in your arms
Oh baby what you do
I'm in love, this is it
There's no turning back this time
No no no
Here we are
Once again
But this time we're only friends
Funny world
Sometimes lies
Become the game, when love's the prize
And though no one knows what's going on inside
And all the love I feel for you
Is something I should hide

When I have you close to me
The feeling's so sublime
That there's nothing I can do
To keep from loving you
No, no, no, Can't keep from loving you baby no, no, no
