[Chorus]

Ooh you know I still do
Ooh you know I still do
Can't see myself without ya
Day and night I think about ya
Ooh you know I still do
Ooh you know I still do
Gotta find a way
More than I can say is
I still L-U-V you

[Verse 1]

Now, come sit here and try to pretend
That the love I have for you has come to an end
(Seeing you with someone else is gonna make me sick,
'cause you're my man and I'm the girl you're supposed
to be with)
I'm reminiscing back on the days
Before our little wishes made us go separate ways
You used to plant kisses all over my face
I'm thinkin' now, what a waste

[Chorus]

Ooh you know I still do
Ooh you know I still do
Can't see myself without ya
Day and night I think about ya
Ooh you know I still do
Ooh you know I still do
Gotta find a way
More than I can say is
I still L-U-V you

[Verse 2]

Don't have a clue of where to begin
To mend this broken love and make it new again
I know there's other fish in the sea
But you're the only one for me
I'm hoping that one day we could find
The happy meaning and get this thing right
I hope it's not too late, I hope our love ain't lost

I guess I have to keep my fingers crossed

[Chorus]

Ooh you know I still do
Ooh you know I still do
Can't see myself without ya
Day and night I think about ya
Ooh you know I still do
Ooh you know I still do
Gotta find a way
More than I can say is
I still L-U-V you

[Bridge][2x]

I don't know what more that I can say
You already know how i feel
I L-U-V you
I L-U-V you
I L-U-V you
I love you

[Chorus][2x]

Ooh you know I still do
Ooh you know I still do
Can't see myself without ya
Day and night I think about ya
Ooh you know I still do
Ooh you know I still do
Gotta find a way
More than I can say is
I still L-U-V you
