(The moon is rising) Rising
(???) Ohh so low
(According to our sources)
They say the streets the place to go

Cause tonight for the first time
Just about a half past ten
For the first time in history
It's gonna start raining men

It's raining men
Hallelujah it's raining men
Every specimen
I'm gonna go out and let myself get
Absolutley soaked and wet

It's raining men
Hallelujah it's raining men
Every specimen
Tall, blonde, dark, and lean
Rough and tough and strong and mean

It's raining men
God bless mother nature
She's a single woman too
She took all the heavens
And she did what she had to do

She fought every angel
And she rearranged the sky
So that each and every woman
Could find the perfect guy

It's raining men
Hallelujah it's raining men amen
It's raining men
Hallelujah it's raining men amen
It's raining men.
