LA proved too much for the man  
He couldn't make it, so he's leaving a life he's come to know  
He said he's going back to find what's left of his world  
The world he left behind not so long ago

He's leaving on that midnight train to Georgia  
Said he's going back to find a simpler place and time  
I'll be with him on that midnight train to Georgia  
I'd rather live in his world, than live without him in mine

He kept dreaming that some day he would be a star  
But he sure found out the hard way  
That dreams don't always come true  
So he pawned all his hopes and even sold his old car  
For a one way ticket back to the life he once knew  
Oh yes he did, he said he would

He's leaving on that midnight train to Georgia  
Said he's going back to find a simpler place and time  
I'm gonna be with him on that midnight train to Georgia  
I'd rather live in his world, than live without him in mine

World, world, it's his and her's alone  
He's leaving on the midnight train to Georgia  
Said he's going back to find a simpler place and time  
I've got to be with him on that midnight train to Georgia  
I'd rather live in his world, than live without him in mine

My love, gonna board the midnight train to Georgia  
(x3)

My world, his world, our world, mine and his alone (x2)

I've got to go (x5)

My world, his world, my man, his girl
