I'm such a cool girl,
I'm such a cool girl

You may look at me and think I'm conceited,
but I'm really not.
I can't help it if I'm super sassy and I'm super hot,
People think I'm stuck up when they meet me.
I get that a lot, but I just can't sweat it.
Just can't let knock me off my socks

If you get to know me, I am super cool.
If you get on my team I'll be there for you,
You should meet my circle, anything for you,
If you look out for me, I'll look out for you.

You shouldn't judge me, get to know me first.
And then you will see I'm such a cool girl.
I know I can't see, I'm in my own world.
That doesn't change me, I'm still a cool girl

And next time that you see me, you can speak to me,
Cuz I'm not hollywood, Even though I'm good.
Okay, but I can go back to my hood.
Never think I'm better than anyone than me,
So the next time you see me don't judge me.

If you get to know me, I am super cool,
If you get on my team I'll be there for you,
You should meet my circle, anything for you, I
f you look out for me, I'll look out for you.

You shouldn't judge me, get to know me first.
And then you will see I'm such a cool girl,
I know I can't see, I'm in my own world,
That doesn't change me, I'm still a cool girl.

You shouldn't judge me, get to know me first.
And then you will see I'm such a cool girl
(I'm still a cool girl),
I know I can't see, I'm in my own world,
That doesn't change me, I'm still a cool girl.
