Do you seem me and still feel love  
or have I changed inside your heart  
To have only you, is such a fuss  
To give all of me is not enough.  
You left then, you came back  
Sorry won't make it up to me  
Sorry won't make me believe

He's down on bending knees  
You're down on bending knees  
Saying, you didn't mean it  
you didn't mean it  
if you didn't mean it  
Then why would you say it  
You didn't mean it  
you never mean it.  
Then why in the world would you say it

There's no tomorrow, don't you know  
Love me now or let me go  
He didn't mean it  
you never mean it.  
Then why in the world would you say it  
Say it, say it

I miss the way we used to be  
Now you're the one that i can't keep  
Thought I was first, and never last  
Thought it was you, I would always have  
You left then, you came back  
Sorry won't make it up to me  
Sorry won't make me believe

You didn't mean it  
You didn't mean it

if you didn't mean it  
Then why would you say it  
He didn't mean it  
You never meant it  
Then why in the world would you say it

There's no tomorrow, don't you know  
Love me now or let me go  
He didn't mean it  
You never mean it.  
Then why in the world would you say it

It's time to let you go,  
It's time to say goodbye  
Boy, you need to know,  
I'm done with you messing with my mind

You didn't mean it  
You never mean it.  
Oh!  
You didn't mean it  
You never mean it.  
Then why in the world would you say it.  
You didn't mean it  
You didn't mean it  
If you didn't mean it  
Then why would you say it  
You didn't mean it  
You never mean it it  
Then why in the world would you say it..... (hold)

'Til tomorrow, don't you know  
Love me now or let me go  
You didn't mean it  
You never mean it  
Then why in the world would you say it.....  
Say it..., say it...  
Then why in the world would you say it....  
Say it..., say it...  
Then why in the world would you say it...
