[Spoken:]

I don't even know you
And yes that is my boyfriend

[Sung:]

Jealousy and envy will get you nowhere fast
The ugly vibes you send me just make me wanna laugh
Now why you wanna ruin perfect situations
Some call it hating but I call it fabrication
You talk about us like it's some infatuation
Quit spreading rumors before you make me lose my
patience

U-G-L-Y, you ain't got no alibi
So why you constantly up in my mix
U-G-L-Y, better find yourself another guy
Cause chica please believe I own this

I own this, I own this
I-I-I-I-I, I own this
I own this, I own this
I-I-I-I-I, I own this

U-G-L-Y, you ain't got no alibi
So why you constantly up in my mix
U-G-L-Y, better find yourself another guy
Cause chica please believe I own this

Quit leaving messages on his profile page
He just deletes them and he throws them all away
It doesn't matter whatcha say or whatcha do
I'm still his shorty and he's still my baby boo
U-G-L-Y, you ain't got no alibi
So why you constantly up in my mix
U-G-L-Y, better find yourself another guy
Cause chica please believe I own this

I own this, I own this
I-I-I-I-I, I own this
I own this, I own this
I-I-I-I-I, I own this

U-G-L-Y, you ain't got no alibi
So why you constantly up in my mix
U-G-L-Y, better find yourself another guy
Cause chica please believe I own this

Everybody knows your reputation
Imma put you on blast on my radio station
I got a brand new dedication
So you need to ease up with all the fronting and faking

U-G-L-Y, you ain't got no alibi
So why you constantly up in my mix
U-G-L-Y, better find yourself another guy
Cause chica please believe I own this

I own this, I own this
I-I-I-I-I, I own this
I own this, I own this
I-I-I-I-I, I own this

I own this, I own this
I-I-I-I-I, I own this
I own this, I own this
I-I-I-I-I, I own this
