I dont know

why i dont trust

i go crazy when u hang with her

i need a stray jacket for my mouth

so my J-E-A-L-O-U-S feelings keep coming out

I might as well wrap him up in a bow

all im doing is making him wanna go

i need you to help me through my doubt

so my J-E-A-L-O-U-S feelings dont brake us down

(CHORUS)

I dont wanna be Nag-Naggin

dont wanna be Dragg-Dragging u down

dont wanna be Pull-Pushin

Look what im doin now

so im the girl

im the jealous girl

J-E-A-L-O-U-S boy i dont no how u got me actin' like this

How do i stop all these thoughts yea

that maybe our love aint strong enough yea

i need to get a grip on myself

before i push you right into the arms of someone

someone else

(its like i wrapped him up in a bow)

its like i wrapped him up in a bow

(all i do is make u wanna go)
