I can't believe it, I I took you back again
You're so deceiving, the same as you were back then
I'm not that lonely, or out of my mind or crazy .
I fell for your lies the first time you're not gonna
get me a second time

I can let you back in, and I can fall for your smile
And I can let you get inside my heart this time boy
That's why I gotta let him go
(Let him go)
He's not good for me
(Let him go, Don't let him in, Let him go)
Yes, I can do better, gotta let him go
Gotta let him go
He's the pick for me
(Let him go, Don't let him in, Let him go)
Yes, I can do better, gotta let him go

I can see it, I I know things aint changed
I won't believe it, e-ven if you say they changed
Please don't mistake me for the girl that I used to be
I fell for your lies the first time you're not gonna
get me a second time

I can let you back in, and I can fall for your smile

And I can let you get inside my heart this time boy
That's why I gotta let him go
(Let him go)
He's not good for me
(Let him go, Don't let him in, Let him go)
Yes, I can do better, gotta let him go
Let him go
He's the pick for me
(Let him go, Don't let him in, Let him go)
Yes, I can do better, gotta let him go

Boy I gotta let you know, I gotta let you go
I gotta (gotta gotta)
Gotta let you go
Boy, I gotta let you know, I gotta let you go
(I gotta gotta)

I can't let you back in, and I can't fall for your
smile
And I can't let you get inside my heart this time boy
That's why I gotta let him go
(Let him go)
He's not good for me
(Let him go, Don't let him in, Let him go)
Yes, I can do better, gotta let him go
Let him go
He's the pick for me
(Let him go, Don't let him in, Let him go)
Yes, I can do better, gotta let him go
