Tyga's Part:

Don't blame yourself, and don't blame me, 'cause we
was both in love on a
High speed. Chasing everything in life but the right
things. Said you
Wanted space, so I made you leave. You came right'
back, said you left your
Key's. Lil' argument, tears on your cheek. Now, I'm
standin' here, feelin'
So cold. Should we work it out? I don't even know. Your
friends' always
Tryna butt in, 'cause they a'int got no one, like yo' man.
Look bro man, I
Don't play that we friends. Tell that n***a lose your
numba, or I'mma lose
Him. It's always two sides of the story, and I don't
wanna hear yours,
Your's boring. Could've compromised, kept goin'. But,
now it's over, and
I'm sorry.

Uh uh, uh uh, no, no way. You won't get the best of me,
I don't play. Uh
Uh, uh uh, get up out my face, boy. I got an attitude
with you, baby. Love
A'int supposed to hurt this bad. I was the best you've
ever had. Now, all
You do is make me mad, 'cause you tried to play with
my love.

Oh, I'm so over it. I'm O-V-E-R-I-T see ya! I'm so over
you, you played me
For a fool, there's nothin' left for me to do.

'Cause I gotta pack my bags and get up outta here. You
a'int gonna stop me,
Baby. Look at what you had, my love, now, I'm walking'
out the door, I
A'int gonna love you no more.

How could I be so silly? (So, so silly. So, so silly. So

silly.) How could
I be so silly? (So, so silly. So, so silly of me.) How could I
be? Uh uh,
Uh uh, so. How could I be? Uh uh, uh uh, so. How could
I be? Uh uh, uh uh,
So. How could I be so silly, so, so silly.

Oh no, you broke my heart in two. Feelin' so alone here
without you. No, oh
No, you a'int worth my time, I need someone who'll
treat me right, 'cause,
Baby, love a'int supposed to hurt this much. Love, I just
want to feel your
Touch, but I guess I gotta walk away, because there's
nothing left for me
To say.

Oh I'm so over it. I'm O-V-E-R-I-T see ya! I'm so over
you, you played me
For a fool, there's nothin' left for me to do.

'Cause I gotta pack my bags and get up outta here. You
a'int gonna stop me,
Baby. Look at what you had, my love, now, I'm walking'
out the door, I
A'int gonna love you no more.

How could I be so silly? (So, so silly. So, so silly. So
silly.) How could
I be so silly? (So, so silly. So, so silly of me.) How could I
be? Uh uh,
Uh uh, so. How could I be? Uh uh, uh uh, so. How could
I be? Uh uh, uh uh,
So. How could I be so silly, so, so silly.

Babe, baby, I trusted you. You were the one that I could
come runnin' to.
But now that we're done, said, "It hurts inside," Wash
away the tears, and
Swallow my pride. Yeah, bet you're feeling lonely
tonight, without me by
Your side.

Silly, silly, I was so, so silly. Silly, yeah.

'Cause I gotta pack my bags and get up outta here. You
a'int gonna stop me,
Baby. Look at what you had, my love, now, I'm walking'
out the door, I
A'int gonna love you no more.

How could I be so silly? (So, so silly. So, so silly. So
silly.) How could
I be so silly? (So, so silly. So, so silly of me.) How could I
be? Uh uh,
Uh uh, so. How could I be? Uh uh, uh uh, so. How could
I be? Uh uh, uh uh,
So. How could I be so silly, so, so silly.
