Ooh

You know

Swagger swagger (is she cute?)

Can Nobody do it (do like she do)

She know what the dance is (she's so smooth)

What you talking about Im talking about me

(na na na na na)

When the DJ make it (bang bang bang)

The way I show on with the (shame shame shame)

Well you can make it tricky

Like OMG and if u want it about the real

We can take it to the yard

to the yard, to the yard, to the yard

And imma spend it all (get it bumping)

Spend it all (get it bumping)

Spend it all can nobody hear me!

To the yard, we can take it

To the yard, we can take it

To the yard, we can take it

To the yard

So we can spend it all (get it bumping)

Spend it all (get it bumping)

Spend it all

Show me if u can hear the bell ring

When Im in the party, no (spending on the wall)

Who wanna go again (me on the floor)

Oh my purse my jacket my phone

Im about to show this people how a back should go

Tell the DJ make it (bang bang bang)

Now the show is to bad like it (shame shame

shame)Well you can make it tricky

Like OMG and if u wanted about me
