You give hope to the hopeless  
You give faith to the faithless  
Your love comes through  
Like the morning light  
You give grace to the humble  
And have mercy on the merciful  
This world's never seen anybody like You

O what a wonder  
A wonder You are  
You hide the sun and let it rain  
O what a wonder  
Jesus what a wonder You are  
O what a wonder  
A wonder You are  
To save somebody like me

O what a wonder  
Jesus what a wonder You are

You bring healing to the nations  
There's no other salvation  
You're the only One who can turn it around  
You make a way for the wanderer  
You give freedom to the prisoner  
All of hell must tremble  
At the sound of Your name

O what a wonder  
Jesus what a wonder You are  
O what a wonder You are
