### COUNTRY BOY'S WORLD

She was raised up in Jersey  
I said oh Lord have mercy  
Never seen a one light town 'til she moved down here  
She said I'm so bored out of my mind  
Need a Starbucks and a wifi  
Or a jet airliner to fly me anywhere  
I said do you wanna take a drive in my truck  
Don't pay no mind to that 12 point buck  
Laid across my hood  
You ever been to

### CHORUS:

Rome Georgia  
Picked peaches off the trees  
Climbed the water tower in Paris Tennessee  
Been to Florence Alabama  
Drank muscadine wine  
Just give me a chance to change your mind  
So before you go and fly away girl  
Let me show you 'round a country boy's world

Somewhere between there on a dirt road  
When I rolled down my window  
She smelled the scent of wildflowers on the summer  
wind  
With just a bite of homeade ice cream  
And a glass of Momma's sweet tea  
This ol' holler's got a way of makin' friends  
She'd never seen a glowin' field of fireflies  
Or the twinkle of a star in a southern sky  
She fell in love  
We went down to

### CHORUS:

Rome Georgia

Picked peaches off the trees  
Climbed the water tower in Paris Tennessee  
Went to Florence Alabama  
Drank muscadine wine  
She gave me a chance and I made her mine  
Says she'll never fly away and she's my girl  
It's 'cause I showed her 'round a country boy'd world

Oooh now she's riding shotgun  
Sayin' baby let's run wild  
And go down to

CHORUS:

Rome Georgia  
Pick peaches off the trees  
Climb the water tower in Paris Tennessee  
Goto Florence Alabama  
Drink muscadine wine  
She gave me a chance and I made her mine  
Says she'll never fly away and she's my girl  
It's 'cause I showed her 'round a country boy's world
