Well she walked in to the joint  
Lookin' like a million dollars  
From the brim of her Stetson hat  
to the heels of her Tony Lamas

She said hey mister tall, dark and handsome cowboy  
man  
Would you like to dance with me?  
And I said hey pretty cowboy lady  
I got a little girl at home that thinks the world of me

Well, I could tell by the look in her eyes,  
She didn't take rejection easily  
So, I said hey pretty cowboy lady  
let me tell you what I mean

Well my baby, when she loves me  
She makes me feel like a king  
Well my baby, she's my beauty queen  
And when she's lovin' me, she wears the crown

She said hey mister tall, dark and handsome cowboy  
man  
Just one thing I don't understand,  
You see if your baby really loves you,  
Well tell me where is your wedding band?

And I said hey pretty cowboy lady,  
There's more to that you don't understand  
See when your baby really loves you, loves you, loves  
you, loves you  
It ain't through no wedding band

And well I could tell by the look in her eyes,  
She was beginning to understand  
So I said hey pretty cowboy lady,  
Let me tell you once again

Well my baby when she loves me  
She makes me feel like a king  
Well my baby she's my beauty queen

And when she's lovin' me she wears the crown

Woah, my baby, when she loves me

Ooo, you know I feel like a king

Well my baby, she's my beauty queen ohhh

When she's lovin' me she wears the crown

Yes when she's lovin' me she wears the crown
