I'm on the brink; I can barely think,
With all of these thoughts runnin' through my head.
Wonderin' if I did you wrong?
No way, I did you wrong.

Every night, I try to justify,
All the angry things I said, oh, but I can't take 'em back.
No, I can't do that.
I was wrong, oh, but now you're gone.

An' I can't hide what I feel inside,
An' just stop lovin' you even if I wanted to.
I can't hold on, but lettin' go,
Is something I can't do,
Is something I can't do,
Even if I wanted to.

All the times I sat and watched you cry,
When I should have held you close, made sure that you
know,

How much I cared but I was never there...
I was wrong an' now you've moved on.

I can't hide what I feel inside,
An' just stop lovin' you even if I wanted to.
I can't hold on, but lettin' go,
Is something I can't do,
Is something I can't do,
Even if I wanted to.
Even if I wanted to.

[Instrumental Break]

Yeah, I can't hide what I feel inside, (What I feel inside.)
An' just stop lovin' you even if I wanted to.
I can't hold on, but lettin' go, (Lettin' go.)
Is something I can't do,
Is something I can't do,
Even if I wanted to.
Even if I wanted to.
