On my highway the yellow lines  
disappear from time to time  
And ive wound up on the wrong side of the road

On my highway ive gone too fast  
afraid that i might finish last  
i hugged the curve too hard  
and lost control.

oh i never know which way its gonna go..

Chorus:

Oh what a feelin  
chasin the sun  
livin my life like its shot from a gun  
laughin a little bit more with every mile

Oh what a freedom  
racin the wind  
not even knowin' whats aroud the next bend  
and smilin as i watched the years roll by

oh im learnin how to take it day by day..  
on my highway

Verse 2:

On my highway ive missed some signs  
and left a damn good love behind  
i see her in my review like a ghost

on my highway ive broken down  
and cried when no one else was around  
and prayed that God would save my soul

oh i never know which way its gonna go

Chorus:

Oh what a feelin  
chasin the sun  
livin my life like its shot from a gun  
laughin a little bit more with every mile

Oh what a freedom  
racin the wind  
not even knowin' whats aroud the next bend  
and smilin as i watched the years roll by

oh im learnin how to take it day by day..  
on my highway
