::Jason Aldean::

You boys ever met a real country girl?  
Talkin, true blue, out in the woods, down home, country

::Finesse::

I love them girls with that Alabama swagger  
So I let her take a ride on my big green tractor  
They aint afraid to get dirty in the state of Tennessee  
I love my georgia peaches and my mississippi queens  
Lifted up the chevy and she gassed it up  
'Cause daddy's sweet money done jacked it up (uh)  
Southern girls love those 4 wheel drives  
Slingin mud and raising hell til the end of the night  
She's a ragin' cajun  
And she knows how to catch the eyes of Finesse and  
Jason

::Jason Aldean::

Thick southern drawl, sexy swing and walk,  
Brother she's all

::Chorus::

Country (Texas To VA!)  
from her cowboy boots to her down home roots  
She's country (Country Born And Raised)  
from the songs she plays to the prayers she prays,  
That's the way she was born and raised, she ain't  
afraid to stay (AY!)  
Country  
Brother she's country

::Finesse::

Rockin' those daisy dukes, skin tone so nice  
She looks amazing, Underneath those Amarillo skies  
Drinkin' down rounds she keeps it crunk in the south  
cause'  
Momma taught her how to rip up the town  
Taking chances, yeah she risky, staying tipsy, bottles  
empty  
And She's singing Willie Nelson like a Mississippi  
Hippie

My Texas babe I place nothing above her  
She's A

::Jason Aldean::  
crazy mother trucker, undercover lover  
Thick southern drawl, sexy swing and walk,  
Brother she's all

::Chorus::  
Country (Texas To VA!)  
from her cowboy boots to her down home roots  
She's country (Country Born And Raised)  
from the songs she plays to the prayers she prays,  
That's the way she was born and raised, she ain't  
afraid to stay (AY!)  
Country  
Nothin but country

thick southern drawl (AY!)  
sexy swing and walk (AY!)  
aw show 'em how a country girl does it one time

::Chorus::  
She's Country (Texas To VA!)  
from her cowboy boots to her down home roots  
She's country (Country Born And Raised)  
from the songs she plays to the prayers she prays,  
That's the way she was born and raised, she ain't  
afraid to stay  
Country (Texas To VA!)  
from her cowboy boots to her down home roots  
She's country (Country Born And Raised)  
from the songs she plays to the prayers she prays,  
That's the way she was born and raised, she ain't  
afraid to stay (AY!)  
Country  
Yeah, She's Nothin' but country

::Finesse::  
I Love chicks from all around the world  
But there aint nothing like a southern girl  
(shes all about the country)  
I Love chicks from all around the world  
But there aint nothing like a southern girl

::Jason Aldean::  
From the backwoods she's a homegrown, down to the  
bone, she's country  
She's Country
