You boys ever met a real countrygirl?
Talkin, true blue, out in the woods, down home, country

She's a hot little number in her pick-up truck
Daddy's sweet money done jacked it up
She's a party-all-nighter from South Carolina, a bad
mamajama from
down in Alabama
She's a littleragin happer a lunatic from Brunswick,
juicy Georgia peach
With a thick southern drawl, sexy swing and walk,
brother she's all

Country, (shoot) from her cowboy boots to her down
home roots
She's country, from the songs she plays to the prayers
she prays,
That's the way she was born and raised, she ain't
afraid to stay,
country
Brother she's country

A hell raisin sugar when the sun goes down, mama
taught her how to
rip up a town
Honey dripping honey from a hollar in Kentucky,
getcha flippin kinda
trippie like a Mississippi hippie,
She's a Kansas princess, crazy mother trucker,
undercover lover

Thick southern drawl, sexy swing and walk,
Brother she's all

Country (shoot) from her cowboy boots to her down
home roots
She's country, from the songs she plays to the prayers
she prays,
That's the way she was born and raised, she ain't
afraid to stay,
country
Nothin but country

(thick southern drawl)
(sexy swing and walk)
(aw show 'em how a country girl does it one time now)

Brother she's country, from her cowboy boots to her
down home roots
Nothin but country
Yea yeayeaaa
She's country (shoot) from her cowboy boots to her
down home roots
She's country, from the songs she plays to the prayers
she prays,
That's the way she was born and raised she ain't afraid
to stay, country
Yea she's nothing but country

She's all about the country
From the backwoods she's a homegrown, down to the
bone, she's
country
