Been going round and round all day
Bailin' some hay and stacking it all up
Can't wait for the sun to go down,
Roll into town, shine the old truck up
Swing by the quick stop, grab a little Shiner Bock
Then ease on out your way
To your place around 8 o'clock

Well I'm just ready to ride this chevy
Ride this chevy down a little backroad
Slide your pretty little self on over
Get a little closer turn up the radio
Put your pretty pink toes on the dash
Lean the seat back, man I swear
There ain't nothin' looks better than that
Sweet tan little thing with nothin' to do
I wanna take a little ride with you

I hope you're wearing those frayed-out cut offs
Makes me wanna get lost out in the moonlight
Drop the tailgate down on a turn row
Watch the corn grow, baby, that's a good night
Anyone from the heartland is gonna understand
What I'm talkin' about, right now
Ain't no doubt, we got a game plan

Well, I'm just ready to ride this chevy
Ride this chevy down a little backroad
Slide your pretty little self on over
Get a little closer turn up the radio
Put your pretty pink toes on the dash
Lean the seat back, man I swear
There ain't nothin' looks better than that
Sweet tan little thing with nothin' to do
I wanna take a little ride with you

[Instrumental break]

Well, I'm just ready to ride this chevy
Ride this chevy down a little backroad
Slide your pretty little self on over
Get a little closer you can play my radio

Put your pretty pink toes on the dash
Lean the seat back, man I swear
There ain't nothin' looks better than that
Sweet tan little thing with nothin' to do
I wanna take a little ride with you

Take a little ride with you

I wanna take a little ride with you...
