Chorus

There's been a change in the weather

Change in the way the wind blows(x2)

Think I'm gonna change this hat I'm wearing

Buy myself some different clothes

Big ol' raccoon in my garden

Big ol' opossum in my yard(x2)

Think I'm gonna let them critters fatten up

In case the times get hard

I hate to see you cryin' baby but you know

It's gonna be OK(x2)

You've got to roll with them changes isn't that

What you used to always say

Chorus

My baby got a big dog and he don't like no one but me(x2)

You come pokin' around her place

That old hound will put you up a tree

I used to rise up early just so I could lay back down(x2)

I'd roll out of that rack about noon 'bout sun down  
I'd head to town

Chorus
