There's no two ways about it  
I'm a stubborn son of a gun  
I know sometimes you doubt it  
Till I give you some  
Then that deer in the headlight look gives you away  
Now what kind of games you playing  
I'm not familiar with that one  
I try to troubleshoot what you're saying  
Are you having fun?  
On second thought I'll be moving along for sure  
As you were

If it were up to me  
I know what I'd do  
If it were up to me  
I'd leave it up to you  
Then I'd make my way back home  
Look in to gettin stoned  
If it were up to me

Now my mind starts to aching  
And you never heard a joke  
But sometimes I feel forsaken  
Just another who spoke  
Going round and round  
Man this should be a crime  
Good times

If it were up to me  
I know what I'd do  
If it were up to me  
I'd leave it up to you  
Then I'd make my way back home  
Look in to gettin stoned  
If it were up to me

If it were up to me  
I'd go out on a limb  
If it were up to me  
I'll bet it's alright with him  
Cause I'd sail out across the board

Give 10 percent to the lord  
If it were up to me

If it were up to me  
I know what I'd do  
If it were up to me  
I'd leave it up to you  
Then I'd make my way back home  
Look in to gettin stoned  
Take a shotgun to the phone  
If it were up to me
