You think Iâ'd have it down by now  
Been practicinâ' for thirty years  
I should have walked a thousand miles  
So what am I still doinâ' here  
Reachinâ' out for that same old piece of forbidden fruit  
I slip and fall and I knock my halo loose  
Somebody tell me whatâ's a boy supposed to do?

I get so clumsy  
I get so foolish  
I get so stupid  
And then I feel so useless  
But Youâ're sayinâ' You love me  
And Youâ're still gonna hold me  
And that You wanna be near me  
â'Cause Youâ're makinâ' me holy  
Youâ're still makinâ' me holy, yeah

Iâ'm gonna get it right this time  
Iâ'll be strong and Iâ'll make You proud  
Iâ've prayed that prayer a thousand times  
But the rooster crows and my tears roll down (again)  
Then You remind me You made me from the dust  
And I can never, no never, be good enough  
And that Youâ're not gonna let that come between us

I get so clumsy  
I get so foolish  
I get so stupid  
And then I feel so useless  
But Youâ're sayinâ' You love me  
And Youâ're still gonna hold me  
And that You wanna be near me  
â'Cause Youâ're makinâ' me holy  
Youâ're still makinâ' me holy, yeah

From where I stand  
Your holiness is up so high I can never reach it  
My only hope is to fall on Jesus

I get so clumsy  
I get so foolish

I get so stupid  
And then I feel so useless  
But You're sayin' You love me  
And You're still gonna hold me  
And that You wanna be near me  
'Cause You're makin' me holy  
You're still makin' me holy, yeah
