I wish you could see me now,
I wish I could show you how,
I'm not who I was...

I used to be mad at you,
A little on the hurt side too,
But, I'm not who I was...
And I found my way around,
To forgive in you, sometime ago,
But I never got to tell you. So...

Found myself in a photograph,
I saw me and I had to laugh,
You know, I'm not who I was...
You were there, you were right above me
And I wonder if you ever loved me,
Just for who I was...

And the pain came back again,
It's like a bitter friend
It was all that i could do,
To keep myself from blaming you.
[I'm Not Who I Was Lyrics On]
I reckon it's a funny thing,
I figured out that I could sing,
Now, I'm not who I was...
I write about love and such,
Maybe 'cause I want it so much,
But I'm not who I was...

I was thinkin', Maybe I, I should let you know,
That I am not the same...
But I never did forget your name,
Hello...

Naah, na, na, na, na, na, na, na
Na, na, na, na, na-na

Oh, the thing I find most amazing in Amazing Grace
Is the chance to give it out,
Baby, that's what love is all about...

I wish you could see me now,
I wish i could show you how,
I'm not who I was...
